Firearms Training for Concealed Handgun Permit

8 hrs Formal Basic Training with a live fire Qualification

TRAINING OBJECTIVES:

Provide and increase student understanding of basic handgun techniques for safety and personal protection. Provide students the basic knowledge and skills to safely handle and fire their handgun. Students will attend both classroom and hands-on training in the 1 day course. Students will: Attend, Participate, and Demonstrate competency in all course sessions.

DESCRIPTION:

This class covers the basics of firearms, ammunition, safety, handling, and personal defense. It introduces the student to the defensive mindset and teaches heightened awareness with hands on application of shooting positions and techniques. This course exceeds the minimum requirements for those looking to acquire a concealed carry permit. It includes approximately (4) hours of classroom time and (4+) hours of shooting which far exceed the live fire requirements set by the state. A Certificate of Training is awarded to those who complete the training objectives of the course.

REQUIRED GEAR:

A modern and functional handgun, 100 rounds of factory ammunition, THREE magazines, with strong side holster only, wrap-around eye protection, ear protection, baseball cap, note taking material.

OPTIONAL GEAR:

Knee/Elbow pads, sun screen, water, warm and/or layered clothing

***Training Ammo, Range Bags, Belts, Holsters, Hearing Protection, Safety Glasses
All available & can be pre-ordered for delivery to the course***
