Personal Defense - Shotgun / Handgun Class

Course Description:

This comprehensive hands-on class is designed to teach personal defense using singularly or combined shotgun and or handgun. The shotgun is and has been for a long time the most devastating hand held personal defense weapon made. Furthermore, it's the most versatile defense/protection firearm we have and more Americans own shotguns than any other type of weapon! Learn to transition from one weapon to the other smoothly for self defense. This course is taught as an intense 1 day shooting course with no class room sitting, your training happens on the range. The program seeks to bring the average or recreational shooter to a strong level of defensive competence quickly!

Course Topics:

Shotgun & Defensive Ammunition	Shotgun Accessories
Understanding how a shotgun "patterns"	Various shooting positions
Movement & Shooting from Cover	Shotgun Reloads
